FOREWORD

Ohio has treated us well.

It was ten years ago to the day, May 2nd, 1942 that your cataloguer conducted the auction for the Ohio State Numismatic Association Convention in Columbus. A few short months later, in August, we were in charge of the auction at that most memorable of Conventions of the American Numismatic Association in Cincinnati.

In 1943 one of Ohio's leading collectors, the late Michael F. Higgy favored the Gallery with his outstanding numismatic holdings. Through the years many, many were the pleasant transactions with collectors of the state culminating in the purchase of the $250,000.00 Charles M. Williams Collection in 1950.

Today we are privileged to return to Cincinnati with a splendid auction sale—featuring the $50,000.00 collection of U.S. Gold Coins formed by Mr. I. E. Chadwick, president of the Independent Motion Picture Producers Ass'n.

Outstanding, too, are the large cents and silver coins consigned by Dr. C. A. Darnell of Los Angeles. Other coins, the property of Mr. Roy Radtke of New York State, the Estate of Nelson T. Thorson of Minneapolis, Mr. Magnus B. Rosenberg of Chicago, Mr. B. A. Talmadge of Seattle as well as several consignors who prefer to remain Anonymous, round out a well-balanced sale.

We appreciate these consignments as well as the invitation of the General Chairman to conduct this Joint Convention Auction. Our thanks, too, to the many committeemen who have assisted us or offered to assist with the presentation of the sale.

A. KOSOFF.

THE CHADWICK COLLECTION

United States Quarter Eagles ($2.50 Gold)

First issued in 1796; discontinued in 1929.

139—**1796.** First year of issue; first type, without stars on obverse and the only date of this variety, hence always in demand by date and type collectors. From the Belden Roach and W. W. Neil Collections. About very fine, the coin usually brings more than its catalogue listing of $250.00. Our June, 1950 sale record at $280.00

140—**1796.** Variety with stars around head on obverse and rarer of the two varieties with perhaps less than 30 pieces minted. It is fine to very fine with date and LIBERTY quite sharp. This coin, too, generally brings more than the very fine catalogue listing of 300.00

141—**1797.** Very fine, plus. A splendid example from the W. W. Neil Collection. This date always has the die break from the 4 to the rim behind the lowest star on the right. This coin was estimated to bring..... 400.00

142—**1798.** About extremely fine with lustrous surface: Unlike previous dates this one has seven stars in front of the head and six in back. In fact, it is the only one about which this is true. This splendid specimen is from the W. W. Neil Collection and worth over 200.00

143—**1802 over 1.** None minted between 1798 and 1802. All quarter eagles of 1802 are supposed to be overdates but no 1 can be seen on this coin although the date is very sharp. There are only 5 stars in front, and 8 behind. The coin is extremely fine and scarce. Worth..... 100.00

144—**1805.** About uncirculated with some original mint filings (employed to bring the planchet down to the proper weight). Mint Bloom. The W. G. C. and Menjou listings went for..... 150.00

145—**1806 over 4.** Very fine, scarce; clear overdate. It has records to $210.00, but is worth only about 100.00

146—**1806 over 5.** Much rarer than the 1806 over 4, in fact one of the rarest of quarter eagles. This very fine example is from the Colonel Green and H. R. Lee Collections. It was estimated at $400.00 in the Lee Sale and should bring about 350.00

147—**1807.** Last year of type. Extremely fine with mint bloom 90.00

148—**1808.** This coin is on everyone's 'want list' because it not only belongs in date collections, but it is the only date of this type. Round cap with seven stars on the left and six on the right. Liberty facing left. This specimen has

been expertly plugged. It is very fine and desirable. Worth 150.00

149—**1821.** Reduced size. None minted between 1808 and 1821. This very fine specimen is from the W. W. Neil Collection..... 130.00

150—**1824 over 21.** None minted in 1822 or 1823. Very good to fine..... 70.00

151—1825. About extremely fine, very sharp, scarce 100.00

152—**1826.** The superb Will W. Neil coin attributed by the Cataloguer as "Sharp brilliant proof—no finer specimen exists." I find it difficult to contradict this statement. This coin is without question the finest 1826 quarter eagle to pass through my hands in more than 20 years. Considering the outstanding collections handled one must conclude that here is an unusual item. Indeed, it is. It really is worth.... 400.00

153—**1827.** A splendid coin, uncirculated with mint bloom. A tiny nick on the edge is hardly noticeable and in no way detracts from the beauty of this coin. Worth about..... 250.00

154—**1829.** None minted in 1828. Very fine, from the Belden Roach and W. W. Neil Collections 85.00

155—**1830.** Uncirculated, with proof-like lustre. A very desirable coin worth..... 125.00

156—**1831.** Another splendid coin, uncirculated. From the W. W. Neil Collection where it was described as a 'brilliant semi-proof.' Really nice 125.00

157—**1832.** Brilliant proof, and rare thus. Seldom offered in this condition..... 150.00

158—**1834.** With motto. Last year of this type and very rare. Has auction records of $700.00 in the Roach Sale and private records of $800.00. This splendid coin while extremely fine, has considerable proof lustre and is a highly desirable specimen. The borders are raised as in a proof. Worth close to 600.00

159—**1834.** Without motto. Extremely fine; a nice coin 22.50
160—Another same. Very fine, edge dents..... 15.00
161—Variety of 1834 with close date. Fine, very fine. Scarce 17.50
162—**1835.** Very fine 13.50
163—**1836.** Low 3, high 6. Very fine..... 15.00
164—Variety; 1836. First A in AMERICA touches wing and CA touch arrows. Very fine..... 15.00
165—Variety 1836. The 3 is in line. Very good, fine 12.50
166—**1837.** C just about touches the middle arrow. Very fine 17.50
167—1837. The C does not touch the arrow. Very fine 17.50
168—**1838.** Fine 13.00
169—**1838 Charlotte Mint.** First year of issue. A splendid uncirculated coin. The Mint Mark is between the date and bust. Rare in this condition 40.00
170—**1839.** Very fine, scarce 19.00
171—**1839-Dahlonega Mint.** First year of issue. Very fine, very scarce. The mint mark is between the date and bust..... 27.50
172—**1839-New Orleans Mint.** First year of issue. Upset reverse. Very fine..... 16.50
173—**1840.** New type, small head. Very fine..... 17.50

(The 1841 quarter eagle of the Philadelphia Mint is an excessively rare coin. While many have been engaged as professional numismatists for long periods of time, few have had the opportunity of handling the 1841 quarter eagle. It has been the good fortune of the Gallery to handle and sell TWO specimens of this extreme rarity within the past three years. One of these is in the Louis Eliasberg Collection, the other in the cabinet of a leading Texas collector.)

174—**1841-D.** Mint mark is on reverse. Very fine. W. G. Collection 25.00
175—**1842.** Fine, scarce. Seldom offered..... 27.50
176—**1842-C.** Easily very fine, tiny edge nick. Very scarce 40.00

THE 1822 HALF EAGLE

The Numismatic Gallery takes pardonable pride in the matter of the 1822 Half Eagle. There are but three known specimens of this king of American Gold Coins. One is in the mint collection, leaving but two specimens available for private collections. The Gallery claims the distinction of having been the only numismatic concern to sell both of these specimens. 1019—**$4 Stella.** 1879. Flowing hair. This famous coin represents an attempt to tie in our gold coinage with those of other nations. This $4.00 piece would have compared with the 20 franc pieces of France, Switzerland and Belgium, the 20 lire of Italy and the equivalent coinages of Austria, Spain, Venezuela, etc. The design by Barber has a beautiful head of Liberty with flowing hair and the date, 1879, below. The inscription indicates the metric formulation, i.e.: 6 G (grams of gold), .3s (decigrams of silver), .7c (decigrams of copper), 7 GRAMS (weight). The main reverse design is a large 5 pointed star on which is incused, ONE STELLA, 400 CENTS. Above the star, E. PLURIBUS UNUM and below DEO EST GLORIA, and around all, UNITED STATES OF AMERICA FOUR DOL. Beautiful proof, extremely rare and in constant demand..... 625.00

I. E. CHADWICK whose collection of U.S. Gold Coins is the feature of this sale is a collector of long standing well known in philanthropic and film circles.

AS PRESIDENT of the Independent Motion Picture Producers Ass'n, Mr. Chadwick wields considerable influence in Southern California.

DR. C. A. DARNELL CHOSE QUALITY as his goal and the result is a small but choice collection which should appeal to the discriminating.

ROY RADTKE OF BUFFALO, N. Y. has been collecting choice foreign coins for many years. It has been a pleasure to do business with you, Mr. R.!

NELSON T. THORSON was a past president of the ANA and many times a member of its Board of Governors. His consignment was made before his recent death.

SEVERAL OTHER CONSIGNORS prefer to remain anonymous so we can only think the nice things we could say.

PAPER MONEY AGAIN a feature of this sale. The October 1951 sale went over nicely and we anticipate considerable activity on these items.

THE SPECIAL PRICED EDITION at $3.75 is bought by collectors as a valuable reference work. The $6.00 LIBRARY EDITION is completely sold out.

BOTH EDITIONS have the prices realized for each lot of paper money (of the October sale) printed in right next to the estimate price. You may still get the $3.75 copy.

NICE TO BE GOING to Cincinnati again. That gang headed by the Convention Chairman, Sol Kaplan, makes one feel so at home.

A BIT UNFORTUNATE, in a way, because as Shaw said "I dislike feeling at home when I am abroad." I **like** to feel I'm in Cincinnati!

WITH MEN LIKE Sol, Ralph Lewis, George Parvin and so many others, the Cincinnati Club is one of the leading in the nation.

OHIO STATE and CENTRAL STATES groups have so many luminaries I dare not begin to list them —not enough room.

ANA USUALLY HAS meeting at the Central States Convention so it will be a reunion with my good friends JOE MOSS and Co.

DOC JUDD WILL PROBABLY invite me to golf. He sure hates to lose a pidgeon. I've been practising, Doc! (How can I afford to beat a Good customer?)

NEW YORK CITY for about a week from May 8th, just in case you want to see me there. Contact Beverly Hills Office.
